Kerry,

I just spoke with Paul, and he was under the impression that you or Michele are going to be creating this letter? Dr. Kispert spoke with Dr. Thaller by phone last evening. They seem anxious to have the letter in hand. They have called and e-mailed twice today. Please advise how we should respond and/or confirm who will be composing the letter. Paul is willing to do it, if you would like to have him compose it.

Thank you.

Karen

Hi Karen,

Sorry to bother but Dr. Thaller spoke with Dr. Kispert yesterday evening regarding Thersia. Dr. Kispert told Dr. Thaller he would be either faxing or emailing him
A letter.
Would you know if that has been done?
Dr. Thaller is asking me about it.
Please let me know
Thanks
